Hon. Esther Y.M. Walker
SUPERINTENDENT
Bong County Administration
Republic of Liberia

Dear Hon. Walker:

Subject: **RECEIPT AND APPROVAL OF LSFRP SPECIAL PROJECT (SWEDISH
INTERNATIONAL DEVELOPMENT AGENCY) WORKS PROCUREMENT PLAN FOR
FISCAL YEAR 2019/2020**

We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the Bong County Administration Special Project Procurement Plan (Works) for Fiscal Year 2019/2020 in accordance with Section 40 (3) of the PPCA, 2010. The Commission informs you that your special project Procurement Plan has been duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plans.

The Commission counsels that you observe Section 40 (5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. An updated procurement plan shall accompany said notice to the Commission."

Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

Please be reminded to duly submit your contract award information for all procurement contracts awarded in the previous fiscal year (2018/2019), for stated submission will serve as a precursor for the Commission granting you final approval of your procurement plan for fiscal year 2019/2020.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Best regards,

Yours sincerely,

Jargbe Roseline Nagbe Kowo (Atty.)
