Subject: Invitation to Stakeholder Engagement on the Electronic Government Procurement (e-GP) System

The Public Procurement and Concessions Commission (PPCC) cordially invites all Liberian-Owned Businesses that are relevant to Government procurement activities (catering, construction, consultancy services, petroleum products, vehicle sales, stationery, ICT equipment, furniture and fixtures, printing services, media services, air tickets, office consumables, etc.) to a Stakeholder Engagement Session on the Electronic Government Procurement (e-GP) System. This initiative aligns with the Government of Liberia's commitment to transparency, efficiency, and inclusivity in public procurement. The engagement aims to introduce the e-GP System and its benefits for Liberian businesses, demonstrate how to register, navigate, and submit bids electronically and address concerns and gather feedback to ensure the system serves *your* needs.

As a valued Liberian-owned enterprise, your involvement is crucial to access new opportunities in public tenders with reduced paperwork and costs, ensure the e-GP system is user-friendly and equitable for local businesses and contribute to a transparent procurement ecosystem that fosters national growth

The meeting is scheduled to be held on July 31, 2025 and August 1, 2025 at 10:00 AM at the Office of the Public Procurement and Concessions Commission (PPCC). Please ensure to attend either of the schedule date. *Light refreshments will be provided. No prior technical knowledge is required however, kindly bring a computer along.*
