MONROVIA, LIBERIA

VENDORS' PERFORMANCE REPORT / 2022

Vendor: Up Town Garage & Auto Parts
Chief Executive Officer: Mr. Ansu Bility
Contract Package: Procurement of Vehicle Spare Parts

NARRATIVES

Having successfully participated in the comprehensive National Competitive Bidding process for the procurement and supply of genuine vehicle spare parts to the Executive Protection Service during Fiscal Year 2022, Uptown Garage & Auto Parts was pronounced winner of the process by the Evaluation Panel after thoroughly scrutinizing all relevant submitted documents from participating vendors relating to the process of which Uptown Garage & Auto Parts was deemed the most responsive and thereby recommended for contract award for the supply of the goods.

Initially, the estimated cost of the contract as allotted by the Ministry of Finance and Development Planning amounted to **US\$263,501.00 (two hundred sixty three thousand five hundred one United States dollars)**.

During the execution of the Contract, it was observed that the vendor satisfactorily delivered the needed goods in time with respect to the submission of a signed Local Purchase Order (LPO) requesting the supply of the needed goods as indicated on the attached Technical Specification listing.

Despite the constraint and delay the vendor most of the time faced with payment liquidation via the Ministry of Finance and Development Planning, the vendor was very patient, cooperative, and instrumental in providing the needed goods even under extreme circumstances and sometimes through the basis of credit and good-note arrangements.

In view of the foregoing, the Executive Protection Service is of the opinion and hope that Uptown Garage & Auto Parts will wholeheartedly participate in the next procurement exercises for the supply of vehicle spare parts during the coming Fiscal Year 2023 due to its previous excellent performance.

Please see attached Technical Specification of the needed goods for your ease of reference.

Signed: _____

Nelson N. Gborlay
