VENDORS' PERFORMANCE REPORT / 2022

Vendor: JOS Travel & Tours, Inc
General Manager: Mr. Joseph N. Wamah, Sr.
Contract Package: Procurement of Air Travel Tickets

DETAIL OF THE REPORT

JOS Travel & Tour, Inc. was among participants that took part in the Restricted Bidding Process for the procurement and supply of Air Tickets to facilitate EPS foreign means of travel. The Executive Protection Service received funding from the Government of Liberia through its 2022 budgetary allotment for the procurement of Air Tickets at an estimated cost of **US\$100,000.00 (one hundred thousand United States dollars)**.

Of the seven firms written, only JOS Travel & Tour, Inc. expressed interest by buying a copy of the bid documents prepared by the EPS Procurement Unit and later submitted sealed bid for its participation into the process.

The bid opening process went well after which the established Evaluation Panel fully perused and evaluated the details of **JOS Travel & Tour, Inc.** submissions and concluded that the firm was responsive to the process and thereby recommended for contract award for the supply of the goods through a valid contract agreement during FY 2022.

During the Contract execution, it was observed that the vendor satisfactorily delivered the needed goods in time with respect to the submission of a signed Local Purchase Order (LPO) requesting the supply of the needed goods as indicated on the attached Quotation and Specification of air tickets with respect to travel destinations.

Throughout the execution of the contract, the vendor was very cooperative and instrumental in providing the needed goods even under extreme circumstances.

In view of the foregoing, the Executive Protection Service is of the opinion and hope that JOS Travel & Tour, Inc. will wholeheartedly participate in the next procurement exercises for the supply of Air Travel Tickets to facilitate EPS foreign means of travel during the coming Fiscal Year 2023 due to its previous excellent performance.

Please see attached Quotation and Specification of the needed goods for your ease of reference.
