2. Our greatest challenge is the **lack of funds**, there's no funds budgeted for the operation of the entity, everything used by this entity has been purchased from internal funds, there is no public funds budgeted for the operation of the entity.

This is a serious challenge to management

3. We wish to recommend to the Public Procurement Concession Commission to kindly include us (James Spriggs Payne Airport) into the yearly fiscal budget for a smooth operation of the entity

We kindly recommend improved technology and some training
