ACTING DIRECTOR-GENERAL
Liberia Institute of Statistics & Geo-Information Services
Republic of Liberia

Dear Hon. Lawrence:

Subject: **RECEIPT AND APPROVAL OF LISGIS SPECIAL PROJECT PROCUREMENT PLAN (SBA/CORE BUDGET) FOR FISCAL YEAR 2023.**

We present compliments and wish to acknowledge receipt of your letter which sought the approval of the Commission for the Liberia Institute of Statistics & Geo-Information Services (LISGIS) submission of its Special Project Procurement Plan (SBA/Core Budget). The Commission has received and approves the LISGIS Special Project Procurement Plan for Fiscal Year 2023 in accordance with **Section 40 (3)** of the PPCA, 2010, and informs LISGIS that this Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plans.

The Commission counsels that you observe Section 40(5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. An updated procurement plan shall accompany said notice to the Commission."

Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain **primarily** in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Best regards.

Yours Sincerely,

1	IFB No. LISGIS/SS/SBA/01/2023	Guards and Security Services	This package is funded from the budget line 'Guard and Security Services, which is intended for the hiring of a security firm for the entity to offer Security Services including security-related advisory services. This entity has decided to single-source this package due to the performance of the firm, PROSECOM which was excellent throughout the last fiscal year. Please note that up to the present the entity has struggled to compensate the hired security firm. So, with that, the entity has decided to retain the services of this firm owing to the fact that we have the approved budgetary amount of US\$ 43, 740.00 for their payment for this fiscal year. Therefore, we are requesting the Commission to allow us to single-source this services provider so that the firm can continue rendering the needed services for the entity and not conduct a new selection process which would delay and leave the entity facilities at risk of theft.
