Liberia Petroleum Refining Company
Project Procurement Plan Explanatory Notes – 2023

Item No.	Contract Package	IFB Reference Number	Notes
1	Construction of one 13,000MT Gasoline Tank	IFB No.LPRC/PROJ/RB/001/2023	This project is intended to construct an additional gasoline tank with approximate capacity of 13,000 Metric Tons as part of the PST Expansion Project Phase-1. This tank is intended to increase LPRC capacity to store gasoline to meet the increasing demand of the local market to avoid potential shortage as we go toward elections. The tank will also be used to hold the required Strategic Reserve gasoline for the country and increase revenue for LPRC
