Dear Hon. Tobii:

We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the Liberia Telecommunications Corporation updated, Non SBA Core Budget Addendum Procurement Plan in accordance with **Section 40 (3)** of the PPCA, 2010.

The Commission conveys to the Liberia Telecommunications Corporation that this Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plan.

The Commission counsels that you observe Section 40(5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. Dear Atty. Kowo:

**SUBJECT: Request for Approval of LTC Mobile's Updated and Addendum Non-SBA Procurement Plans for FY 2022**

We are pleased to present our compliments and in consonance with Section 40 (4) of the Amended and Restated Public Procurement and Concessions Act of 2010 write to seek the approval of our Updated and Addendum Procurement Plans for the Fiscal Year under review.

After reviewing our Approved Annual Procurement Plans (SBA Core Budget and Non-SBA Core Budget), it has been observed that there is need to disaggregate some contract packages to create standalone contract packages that would not otherwise be executed efficiently if not treated independently.

By and through this same medium, LTC Mobile wishes to request the Commission approval to use the Restricted Bidding (RB) method of procurement to invite the below listed five (5) vetted and reliable Mobile Phone Manufacturers:

That we have applied to use to the Restricted Bidding (RB) method of procurement, we also write to obtain the Commission approval to reduce the lead-time for the preparation and submission of bids from Six (6) weeks to four (4) weeks for International Restricted Bidding to enable us accelerates the bidding process for the Mobile Phones as a means to ensure that LTC Mobile's phones get on the market as soon as possible in support of the Corporation's strategy to compete with other Mobile Network Operators (MNOs).

That the planned procurement method for the execution of the Contract Package is Restricted Bidding (RB) in line with Section 50 (a) of the PPCA, the Commission can be assured that a reduction in the lead time will not adversely affect the intensity of the competition as all shortlisted vendors will receive the Letter of Invitation and the related bidding document on the exact same date. Also, that they are experienced in preparing bids of this nature, four (4) weeks is adequate to enable them to prepare and submit a responsive bid.

In support of this request, please find attached the following documents for your review and reference:

- LTC Mobile's Updated and Addendum Procurement Plans
- LTC's Approved Budget

In view of the above, LTC Mobile herewith request the Commission approval of its Updated and Addendum Procurement Plans. Similarly, LTC Mobile seeks that permission of the Commission to reduce the lead time for preparation and submission of bids.

Thanks for your kind assistance.

Best regards,

  
Richmond N. Tobii  
Chief Executive Officer
