Mr. N. Pawon Boayue

PROJECT DIRECTOR

Liberia Urban Water Supply Project/LWSC

Monrovia, Liberia

Dear Mr. Boayue:

Subject: **REQUEST FOR "NO OBJECTION" TO AWARD CONSULTANCY CONTRACT TO HYDROPLAN FOR THE PROVISION OF CIVIL WORKS CONSTRUCTION FOR AN EXPRESS LINE FROM FISH MARKET BOOSTER, SINKOR TO NEWPORT STREET IN CENTRAL MONROVIA AND THE CONSTRUCTION OF A SERVICE RESERVIOR IN PAYNESVILLE CITY FOR FISCAL YEAR 2020/2021**

We present our compliments and wish to acknowledge receipt of your letter which sought the approval of the Commission for the Liberia Water & Sewer Corporation to award consultancy contract to Hydroplan for the provision of construction supervision and quality control for the laying of an express line from Fish market booster, Sinkor to Newport Street, Central Monrovia, and the construction of a Service Reservoir in Paynesville under the Liberian Urban Water Supply Project (LUWP).

The Commission, upon review of submitted documentation, states the below observations:

- That the submissions from LWSC showcased that the procurement process executed was done using the World Bank procurement procedures and not the Country System (PPCA);
- That there was no procurement plan submitted by the LWSC to the Commission for this contract package;
- That the submission from LWSC includes: Evidence of Publication (REOI) in two local dailies, the United Nations Development Gateway Market (UNDG), UNDB Online, and the Executive Mansion Website; Copies of EOIs; Copy of the Request for Proposal issued to shortlisted firms; Copies of Technical Proposals submitted by the four firms; Minutes of opening of Technical proposals; Technical Evaluation Report; Combined Technical and Financial Evaluation report; Minutes of Negotiation between LWSC and the recommended Consultant; Procurement Committee Minutes; BEP's Report;
- That given the usage of World Bank procurement system, the LWSC's executed process should be in consonance with stipulated procedures as required by the World Bank.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain, **primarily**, in compliance with the PPCA, 2010, as we jointly aspire to achieve Transparency, Accountability, Fairness, Equality and ultimately public confidence in our procurement and concessions processes.

Yours sincerely,
