Hon. Duannah A. Kamara
MANAGING DIRECTOR
Liberia Water and Sewer Corporation
Republic of Liberia

Subject: **RECEIPT AND APPROVAL OF THE LIBERIA WATER AND SEWER CORPORATION SPECIAL PROJECT PROCUREMENT PLAN (SBA) FY - 2022**

We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the Liberia Water and Sewer Corporation (**LWSC**) Special Project Procurement Plan (SBA) for Fiscal Year 2022, upon review of all submitted documentation, in accordance with Section 40 of the PPCA, 2010.

The Commission conveys to the Liberia Water and Sewer Corporation that this Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plan.

The Commission counsels that you observe Section 40(5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. An updated procurement plan shall accompany said notice to the Commission." Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

Please note that all contracts which cumulative annual value above the threshold of **US\$250,000.00** must be signed by the Minister responsible for Finance and attested by the Minister responsible for Justice. **The Commission requires that you kindly forward copies of all stipulated contracts upon signing, so as to update our records.**

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA 2010 as we jointly aspire to ensure the National Interest is assured and ultimately public confidence is maintained in all Public Procurement and Concession processes.

Best regards,

J. Roseanne Naga Kowo (Atty.)
