OFFICER – IN - CHARGE (OIC)
Public Procurement & Concessions Commission
Executive Mansion Grounds, Capitol Hill

Dear Mr. Yond:

Compliments of the Highest esteem!

I write to request “No Objection” to employ the Sole Source Procurement Method to procure IT Equipment and Publication Services. The procurement Method previously used on the Procurement plan is the National Competitive Bidding (NCB) based on the thresholds.

However, due to the timeline set by the donor (June 30, 2023) for the funds to elapse, the Ministry is requesting the use of the Sole Source Procurement Method to enhance the procurement process in order to meet the timeline set by the donor.

The Ministry is requesting you to kindly approve this Method to procure these items as we do not have the luxury of time in our favor.

We look forward to your timely response as always.

Best Regards,

Hassan A. Karneh
Acting Minister

Hon. Hassan A. Karneh
ACTING MINISTER
Ministry of Gender Children and Social Protection
Republic of Liberia

Dear Hon. Karneh:

Subject: PPCC RESPONSE: MINISTRY OF GENDER CHILDREN AND SOCIAL PROTECTION REQUEST TO USE THE SOLE SOURCE OF PROCUREMENT FOR ITS PROJECT PROCUREMENT PLAN FOR FY 2023

We present our compliments and wish to acknowledge receipt of your letter, which sought the approval of the Commission to use the Sole Source method of Procurement for its Project Procurement Plan to procure IT Equipment and publication services for the Ministry of Gender Children and Social Protection for FY 2023.

The Commission, upon review of MGCSP's request, states the below:

- That the MGCSP's submitted cover letter, copies of project procurement plan and explanatory notes, copy of letter approving said project plan by the Commission;

In view of the Ministry's request for "No Objection" to use the Single Source method of procurement, they are advised to note the following:

- That the Commission grants the Ministry "No Objection" to use the RFQ methods instead of the Single Source method;
- That the MGCSP updates its Procurement Plan in the update column using RFQ methods;
- That the Commission's approval of the Ministry's plan is subject to the submission of the Updated Project Plan reflecting RFQ methods for Publication Services and ICT Equipment.

The MGCSP is also advised to send its Procurement Officer to visit the Commission, if there is a need for any assistance to update the Ministry's Procurement Plan.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Yours sincerely,

Stevenson S. Yond
