Hon. Gesler E. Murray
MINISTER
Ministry of Mines and Energy
Republic of Liberia

Dear Hon. Murray:

Subject: RECEIPT AND APPROVAL OF THE MINISTRY OF MINES AND ENERGY
SPECIAL PROJECT, EMERGENCY PROCUREMENT PLAN FOR FISCAL
YEAR 2022.

We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the Ministry of Mines and Energy Special Project, Emergency Procurement Plan to Sole Source Chen-Liberia Entérprises as per your request for the supply of heavy equipment rental services for the mitigation of continuous sea erosion and threat on the coastline and residents of New Kru Town, upon review of all submitted documents for Fiscal Year 2022. The Commission conveys to the MME that this Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process, allotments in keeping with the approved Procurement Plan upon MME's conclusion of stipulated processes.

The Commission counsels that you observe Section 40(5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. An updated procurement plan shall accompany said notice to the Commission." Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA 2010 as we jointly aspire to ensure the National Interest is assured and ultimately public confidence is maintained in all Public Procurement and Concession processes.

Best regards,

Jangbe Roseline Nagbe Kwo (Atty.)
