We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the Ministry of Agriculture Addendum Procurement Plan for Fiscal Year 2023, which include the Small Holder Agriculture Development for Food and Nutrition Security (SADFODS) with the intent to Single Source the Contract package, Solar Irrigation System in accordance with Section 40 (3) of the PPCA, 2010.

The Commission conveys to the Ministry of Agriculture that this Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plan.

The Commission counsels that you observe Section 40(5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. An updated procurement plan shall accompany said notice to the Commission." Additionally, given the stipulated procurement method, kindly ensure the usage of Vendors on the PPCC's Vendor Registry at <http://ppcc.gov.lr/vr/index.php/documents>.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA 2010 as we jointly aspire to ensure the National Interest is assured and ultimately public confidence is maintained in all Public Procurement and Concession processes.
