Dear Hon. Kowo:

RE: SUBMISSION OF FARA V-1 SAVING PROCUREMENT PLAN FUNDED BY USAID FOR THE FISCAL YEAR 2023

The Ministry of Health presents its compliments and writes to submit the above mentioned procumbent plans along with the attached narratives and budget summaries for you approval for the 2023 Fiscal Year.

The grant from USAID is to support Health System Strengthening in major priority areas such as capacity building in Health Service Provision; Administration, Financial Management, and Monitoring and Evaluation. With regards to those procurable items where the Restrictive Bid Method is used, it is because venders/firms, or suppliers of those commodities mentioned are widely known on the Liberian market.

According to the 2010 Amended Public Procurement & Concessions Act on restricted bid (50-b), when the cost of considering a large number of bids in disproportionate to the estimated contract price of the procurement, the attached plans are consistent with the Amended Public Procurement & Concessions Act of 2010, Part IV, Session 40(3) which states that **"After review and any modification by the Procurement Committee shall furnish a copy of the annual procurement plan to the Commission for approval"**. Attached is a documentary evidence of budget to authenticate the availability of funds for the above-mentioned activities.

We look forward to your timely response to enhance this process.

Sincerely yours,

A. Valfee Tulay
Acting Minister

ACTING MINISTER
Ministry of Health
Republic of Liberia

Dear Hon. Tulay:

Subject: RECEIPT AND APPROVAL OF THE MINISTRY OF HEALTH/FARA V-J PROCUREMENT PLAN FOR FISCAL YEAR 2023.

We present our compliments and acknowledged receipt of your communication, which sought the Commission's approval for the Ministry of Health/Fara V-J funded by USAID Procurement Plan for the Fiscal Year 2023.

The Commission, upon overall review of your communication, accompanying documents and relying on your clarifications and assurances, approves the Ministry of Health/Fara V-J Procurement Plan in accordance with **Section 40 (3)** of the PPCA, 2010.

The Commission informs the Ministry of Health/Fara V-J that its Procurement Plan will be duly forwarded to the Ministry of Finance and Development and Planning, and that the MFDP will process allotments in keeping with the approved Procurement Plan. Additionally, the Ministry of Health is reminded that **all contracts which cumulative annual value exceeds the threshold of US\$250,000 must be signed by the Minister responsible for Finance.**

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability and **Value for Money** and ultimately public confidence in our public procurement and concessions processes.

Kind regards.
