**MINISTER**

Ministry of Health

Oldest Congo Town

Republic of Liberia

Dear Dr. Kpoto:

Subj: **APPROVAL OF REQUEST FOR NO OBJECTION TO SINGLE SOURCE H&A CORPORATION FOR THE SUPPLY AND DELIVERY OF 500KVA GENERATOR FOR THE FISCAL YEAR 2025**

We present our compliments and wish to acknowledge receipt of your communication for the Commission approval of the Ministry of Health (MoH) request as indicated above.

Based on the review, the Commission is pleased to highlight the following:

- ❖ The Ministry of Health submitted the funding source through a FARA/G2G Health Partnership Activity budget summary.
- ❖ The Ministry of Health also submitted the proposed sole source provider quotation at **US\$ 98,000.00 (Ninety-Eight Thousand United States Dollars)**
- ❖ The Ministry further submitted the draft contract and the proposed provider qualification documents (Tax Clearance, Business Registration, and others)

From the above findings, the Commission states that the request is consistent with **Section 55 (1)** of the PPCA, 2010, and herewith **grants** the Ministry's **"No Objection"** to single source H&A Corporation for the supply and delivery of 500 KVA generator. Therefore, the Ministry can proceed with the manual procurement process since this is a donor-related project that is not currently mandated to utilize the e-GP System.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain compliant with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality, and ultimately public confidence in our procurement and concessions processes.

Sincerely yours,

Bodger Scott Johnson  
**CHIEF EXECUTIVE OFFICER**
