The Commission and the Ministry responsible for Finance should be notified in writing of any material changes in the procurement plan and be provided with a copy of the updated procurement plan. Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The Public Procurement and Concessions Commission admonishes and deem it a **priority** that you remain, **primarily**, in compliance with the PPCA, 2010, as we jointly aspire to achieve Transparency, Accountability, Fairness, Equality and ultimately public confidence in our public procurement and concessions processes.
