**Public Procurement and Concessions Commission (PPCC)**  
Monrovia, Liberia

Dear Hon. Johnson:

**Re: PPCC Query Response for Periodic Maintenance of Laterite Road in Bong County (Lot #9) in favor of Winwa Infrastructure Ltd**

Kindly accept my compliments and best wishes.

I write, in response and reference to a query letter sent to my office by your predecessor relative to the above mentioned project.

Hon. Johnson, after receiving the query letter, my Procurement Team made all efforts to resolve the issues raised in the communication but due to the transition at the Public Procurement and Concessions Commission (PPCC) and situation beyond the contractor's control as indicated in the contractor's communication attached, the Ministry delay in providing the requisite response to said query. Thus, causing the commission not providing "No objection" for the project.

Hon. CEO, the ministry has established and carried out a full due diligence on the contractor and with the attached communication from Winwa Infrastructure Ltd, the Ministry hereby seeks your approval of the contract in favor of the company as previously requested because the road in question is very important to the livelihood of the citizenry in that part of the country and it contributes to the infrastructure development agenda of the government.

Please find attached copies of the query letter and communication from Winwa Infrastructure Ltd for your consideration.

Best regards,

  
Hon. Ruth Coker Collins  
Minister
