**ACTING MINISTER**

Ministry of Public Works

Republic of Liberia

Dear Hon. Collins:

Subject: **RECEIPT AND APPROVAL OF MINISTRY OF PUBLIC WORKS SPECIAL PROJECT PROCUREMENT PLAN FOR FISCAL YEAR 2021**

We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the Ministry of Public Works (**MPW**) Special Project Procurement Plan for Special Budget Year 2021 in accordance with **Section 40** (3) of the PPCA, 2010. The Commission wishes to inform the Ministry of Public Works that its Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and the MFDP will process allotments in keeping with the approved Procurement Plans.

The Commission advises that you observe **Section 40** (5) of the PPCA, 2010 which states that a Procuring Entity shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plan. The Commission and the Ministry responsible for Finance should be notified in writing of any material changes in the procurement plan and be provided with a copy of the updated procurement plan. Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The Public Procurement and Concessions Commission deems it a **priority** that you remain **primarily** in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Best regards.

Sincerely yours,

  
Jargbe Roseline Nagbe Kowo (Atty).
