PRESIDENT/CEO

National Oil Company of Liberia

Republic of Liberia

Subject: RECEIPT AND APPROVAL OF NOCAL'S ADDENDUM PROCUREMENT PLAN (NON-SBA CORE BUDGE) FOR FISCAL YEAR 2023

We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the National Oil Company of Liberia (NOCAL) Addendum Procurement Plan in accordance with **Section 40 (3)** of the PPCA, 2010.

The Commission conveys to the **NOCAL** that this Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and the MFDP will process allotments in keeping with the approved Procurement Plan.

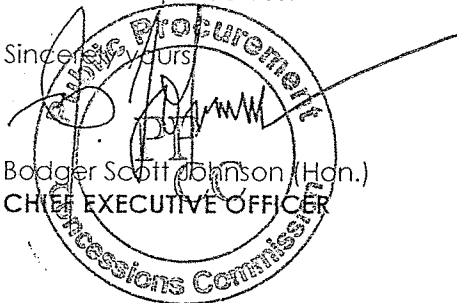

The Commission counsels that you observe Section 40(5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. An updated procurement plan shall accompany said notice to the Commission." Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The National Oil Company of Liberia is advised to ensure that its recommended consultant is duly registered with the Commission vendor data base.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA 2010 as we jointly aspire to ensure the National Interest is assured and ultimately public confidence is maintained in all Public Procurement and Concession processes.

Sincerely yours

Bodger Scott Johnson (Hon.)

Contract Package Code		Contract Package	Content of Contract Package
1	RFP NO. NOCAL/SS/001/2023	Rebalancing and Tooling (Professional Services/fees)	This contract package is drawn for the hiring of an Expert with demonstrable knowledge and experience in the Oil and Gas Industry to provide consulting and advisory services in its "Seismic Data" renegotiation. NOCAL is now in the process of its "Seismic Data" renegotiation with its data broker, TCSN. So, the need of a consultant to sit on the table with NOCAL is paramount to help renegotiate its Seismic Data Agreement. Due to some administrative reasons, there have been some downward adjustment in the estimated contract package in th amount of (US\$50,000.00)
