Hon. Joseph T. Williams
EXECUTIVE DIRECTOR
Rural and Renewable Energy Agency
Republic of Liberia

Dear Hon. Williams:

Subject: **RECEIPT AND APPROVAL OF RREA SPECIAL PROJECT PROCUREMENT PLAN (USE OF NATIONAL COMPETITIVE BIDDING METHOD) FOR FISCAL YEAR 2020/2021**

We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the Rural and Renewable Energy (RREA) Special Project Procurement Plan (Use of **National Competitive Bidding Method**) with a two (2) weeks reduction in lead time for Fiscal Year 2020/2021 in accordance with **Section 40 (3)** of the PPCA, 2010. The Commission informs **RREA** that its Special Project Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plan, upon conclusion of the stipulated competitive process.

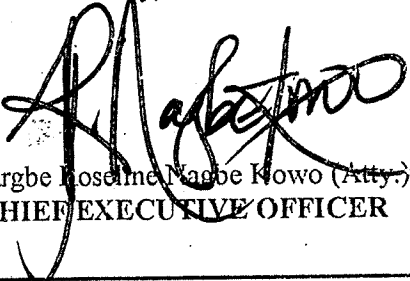

The Commission counsels that you observe **Section 40(5)** of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. An updated procurement plan shall accompany said notice to the Commission."

Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA, 2010, as we jointly aspire to achieve transparency, accountability, fairness, equality and ultimately public confidence in our procurement and concessions processes.

Best regards.

Yours sincerely,

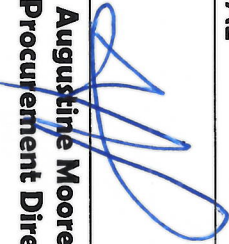

Jargbe Roseanne Nagbe Kowo (Atty.)
