Hon. Joseph T. Williams
EXECUTIVE DIRECTOR
Rural and Renewable Energy Agency
Republic of Liberia

Dear Hon. Williams:

Subject: **RECEIPT AND APPROVAL OF THE RURAL AND RENEWABLE ENERGY AGENCY
UPDATED SPECIAL PROJECT REVISED PROCUREMENT PLAN FOR FISCAL
YEAR 2022.**

We present our compliments and wish to notify you that the Public Procurement and Concessions Commission has received and approved the Rural and Renewable Energy Agency Special Project Revised Procurement Plan upon review of all submitted documents. The Commission conveys to the RREA that this Procurement Plan will be duly forwarded to the Ministry of Finance and Development Planning (MFDP), and that the MFDP will process allotments in keeping with the approved Procurement Plan.

The Commission counsels that you observe Section 40(5) of the PPCA, 2010 which states "each Procuring Entity, shall, on a quarterly basis and whenever it becomes necessary, review and update its procurement plans and notify the Commission in writing and the Minister of Finance of any material changes in its plan. An updated procurement plan shall accompany said notice to the Commission." Please note that an approval of a method on the procurement plan is deemed as the Commission's full approval and as such a Procuring Entity will not be required to again request the use of said approved method.

Please note that all contracts which cumulative annual value above the threshold of **US\$250,000.00** must be signed by the Minister responsible for Finance and attested by the Minister responsible for Justice.

The Commission requires that a fresh ICB publication is made and posted on the Commission's, E-mansion's and the RREA's websites for 6 weeks and participants to the earlier cancelled process be given hard copied notices of such cancellation and evidence of receipt of such notices be kept as evidence.

Finally, that the RREA ensures that at the end of the bidding process, the cost of the winning bid price reflect the average market price for the acquisition and installment of such package and ensure Value for Money is attained.

The Public Procurement and Concessions Commission admonishes and deems it a priority that you remain primarily in compliance with the PPCA 2010 as we jointly aspire to ensure the National Interest is assured and ultimately public confidence is maintained in all Public Procurement and Concession processes.

Best regards,

Jargbe Roseline Nagbe Kowo (Atty.)
CHIEF EXECUTIVE OFFICER
